Subject: OR CZARA: SharePoint access

Hello all,

We have a SharePoint site set up for the OR CZARA project. We are keeping the latest version of our tracking files there as well as copies of the references compiled today. We will be adding each of you to the site so you can access the references, etc.

Later this afternoon you will receive an email from Tt's IT group with access information and instructions. If you have any trouble accessing the site, please contact Elizabeth Hiser (she is copied on this message).

Thanks, Amy
